

# ST. JOSEPH PROJECT

THE SAINT JOSEPH PROJECT exists to support the parish's ministry to those in need with respect to housing issues. St. Joseph Project will work continuously to raise funds in support of its mission. Mission Statement

We meet quarterly or as needed

The support of St. Rose Parishioners allows St. Joseph Project to continue giving a hand... The following is a testimony from a parishioner:

"I want to thank God and the people associated with St. Joseph's Project for the help this group has been able to provide me and my family this past year. My wife and I along with our 3 children were living in a 2 bedroom apartment of about 750 square feet. We desperately needed more space, but couldn't afford the initial outlay of moving expenses. We also needed help in finding a place to live within our price range. After calling and talking to two leaders who listened to my requests and issues and prayed for me, one person worked with me for months in ways I never would have asked for. I was hooked up with a potential housing opportunity that led to involvement with some wonderful people from the parish who were real estate brokers. Eventually the right housing situation presented itself, and I was instructed by St. Joseph's Project to ask Knights of Columbus for help. Not only did the Knights basically move us, but a couple of people related to St. Joseph's also helped with the move. St. Joseph's loaned me the money to pay for my first and last month's rent so I could focus on other expenses and catch up on these later--which I'm still doing--and they have been very understanding. There have been no "late fees" or interest. St. Joseph's Project also has directed me in the area of looking for another job, so we'll see what happens in the future. Thank you, St. Joseph's Project!"
